MARY STEWART'S COLLECT

(A Collect for Club Women)

Keep us, oh God, from pettiness;
let us be large in thought,
in word, in deed.
Let us be done with fault-finding
and leave off self-seeking.
May we put away all pretense
and meet each other face to face,
without self-pity and without prejudice.
May we never be hasty in judgment
and always generous.
Let us take time for all things;
make us to grow calm, serene, gentle.
Teach us to put into action
our better impulses,
straightforward and unafraid.
Grant that we may realize it is
the little things that create differences,
that in the big things of life we are at one.
And may we strive to touch and to know
the great, common human heart of us all.
And, oh Lord God, let us forget not
to be kind!

Dear Fellow Members,

I am so excited to welcome you to the 2024-2026 administration. I am deeply honored to serve as your 55th GFWC International President during this pivotal period, in which historic progress can and will be made. I encourage you to take full advantage of the numerous opportunities available to you.

Service and personal development have been central to our mission for 134 years. Through these lies the concept of the "circle of influence" – a dynamic sphere within which our actions radiate outward, touching lives and effecting change. Within this circle, as symbolized on our emblem, we find our power to transform, uplift, and inspire. As members of the General Federation of Women's Clubs, each of us occupies a unique position within this circle, endowed with the capacity to enact meaningful change and to leave an indelible mark upon the world.

Under the banner of "Educate, Engage, Empower," let us work to empower individuals from all walks of life, providing them with the tools and knowledge necessary to shape our future. Through education, we open the doors to opportunities and encourage a culture of lifelong learning. Increased engagement creates meaningful connections and fosters a sense of belonging. Empowerment encourages others to become catalysts of change, amplifying the scope and impact of our collective endeavors.

As we step into this new administration, our Strategic Plan has been meticulously crafted to guide our focused efforts. Our leaders have prepared an incredible Club Manual, a treasure trove of ideas, tools, and tips for grassroots involvement. Take full advantage of this powerful resource to aid our growth and development.

Together, as we embark on this new chapter, hold fast to the values that define our organization—camaraderie, collaboration, and commitment to changing lives through volunteer service. Celebrate our diverse perspectives and experiences, recognizing that it is through our differences that we find our strength. Our potential for undefined progress is limitless when we unite and advocate with one voice and excellent clarity. Be bold as we reimagine all that GFWC can become.

Together In Living the Volunteer Spirit,

Suellen B. Brazil
GFWC International President

GFWC/IOWA PRESIDENT'S MESSAGE

Greetings GFWC/Iowa Federation Sisters:

A few years ago, I was shopping with my daughter; and we saw a set of coasters with a butterfly on it with the saying “Spread Your Wings.” When thinking about my years with GFWC, I have spread my wings several times – first, being the state Public Issues Chairman, then State Treasurer and then President-Elect.

My theme is “Spread your wings with GFWC.” My pin is a blue butterfly. When I looked around my home, I noticed more than one blue butterfly.

I want to encourage every member and every club to spread their wings and take on a new challenge. This can be a position in your local club or on the state level. Also, I encourage clubs to try a new idea. Spread your wings and see what new adventures we can share.

I have two areas of interest, the first is Domestic & Sexual Violence Awareness & Prevention. This is also a national area of interest. There are many ways we can help in communities both large and small. The second area is Women’s Health. As we are all aging, Women’s Health is very important. Is there someone in your club or community that can present a program on one of the many areas of health for women?

I also want to encourage retaining and adding new members to our clubs. I hope to make my administration fun and informative for all members; and with all your help, I know that is possible. I can’t wait to see the wonderful programs and ideas you all come up with.

A handwritten signature in black ink that reads "Mickey Coonfare".

REPORTING PROCEDURES 2024-2026

The following reporting procedures will be in effect during the 2024-2026 administration. Questions regarding these procedures may be directed to: GFWC/Iowa 1st Vice-President Cindy Hansen or GFWC/Iowa 2nd Vice-President Lisa Gottschalk.

REPORTING CRITERIA:

- 1) **Deadline for Reports: February 1st each year.**
- 2) Report period covers Jan.1 through Dec. 31 of the previous year.
- 3) **GFWC Reporting Form:** This form will be emailed or mailed annually to all club presidents from GFWC/ Iowa. Complete the GFWC/Iowa reporting form by filling in the light grayish/blue boxes with the name of any GFWC Affiliate Organization you had a program or project for under each CSP area. You may choose to report it under any CSP area where you feel it fits your intent of the project most accurately. Then complete the remaining form with numbers only in the appropriate white boxes specified for the totals of all projects in that CSP area and/or Affiliate Organization. Report the number of projects, volunteer hours spent and dollars or in-kind donations for each. **This is a statistical reporting form only.**
- 4) There shall be **no cross reporting** between community service program areas, except for fundraising. Report your project statistics in one CSP area only.
- 5) To receive state awards, narratives must be included in community service program areas in which the club wants to be judged. If not seeking state awards, no narratives are required. A **“Narrative” is an attached page with details explaining your project or projects. Each project narrative shall be on a separate page for each CSP area. (If your club does more than one project in a CSP area, you shall put all those on the same page; but please do not put more than one project area on a page, e.g. Health and Wellness and Domestic Violence Awareness narratives shall each be on their own sheet of paper.)**
- 6) Mail a complete copy (UNSTAPLED – can be paper clipped) to GFWC/Iowa Headquarters, 3839 Merle Hay Road, Suite 201, Des Moines, IA 50310. **Do not send a report to GFWC in Washington, DC.** Retain one copy for your club file.

AWARDS:

- 1) **SILVER AWARD REPORTING:** Each year during State Convention, one traveling silver tray is awarded in each of the five GFWC Community Service Program Areas (Arts and Culture, Civic Engagement and Outreach, Education and Libraries, Environment and Health and Wellness), the GFWC **Signature** Program: Domestic and Sexual Violence Awareness & Prevention and the Juniors’ Program: Advocates for Children. Clubs winning this award have reported the best projects and programs overall in a particular area. Affiliate Organization projects are not required; however, we encourage clubs to utilize and work with the GFWC Affiliate Organizations. Clubs awarded a Silver Award will be notified that they may have a representative receive award at State Convention. **It is the responsibility of each Silver Award winner to polish the tray and return it in time to be awarded at next convention.**
- 2) The Chairman’s Choice Award (previously 1st Place) will be given to the club that reported the best program/project in a CSP area. It will be given on the basis of work involved, community impact and overall creativity.
- 3) Those clubs completing narratives that do not receive a Silver or Chairman’s Choice award will be given **Honorable Mention Certificates** in the program areas they entered.
- 4) **Summary Award Certificates** will be given to all clubs who complete the GFWC/Iowa Statistical Reporting Form only with no narratives attached.

The Scholarship Committee administers several GFWC/Iowa Scholarships for use in Iowa schools. Winners must be enrolled in the fall term of the year in which the scholarship is awarded. These awards are based on the amount of money contributed by clubs, the proceeds from special fundraising efforts and interest earned from investments on permanent and memorial scholarships. Scholarship application packets are mailed to each club president by October of every year. It is the responsibility of the club to promote the scholarship program by working directly with their local schools to secure qualified applicants. Completed scholarship applications are mailed to your District Scholarship Chairman.

The application deadline is February 1st of each year.

The following scholarships are available when funding is available:

- A. PHYLLIS HUGHES MEMORIAL LAW SCHOOL SCHOLARSHIP** – Open to a woman from Iowa to study law at the University of Iowa, Drake University or with preference given for attendance at Marquette University in Wisconsin. \$1,000.00

Music Campships

Several music campships are awarded to Iowa junior (a student entering the 7th grade in the fall) and senior high school students to help defray the expenses of a student attending an Iowa summer music camp. Campships are awarded in the amount up to \$400, which can be applied toward tuition, room and board. Award recipients are responsible for the balance of their costs.

Music campship application forms and directions are sent with the scholarship application forms to the club president and administered by the Scholarship Committee. Clubs are asked to distribute the forms to their junior and senior high schools in their community, especially to instrumental music and choral directors. Clubs should make sure the applicant follows the directions and the applications are complete and postmarked by February 1st.

Your continued support for GFWC/Iowa scholarships and music campships is appreciated!

The GFWC Photography Contests encourages members' artistic expression and visual storytelling, while recognizing originality, visual impact and technical skill in photography. GFWC offers two opportunities to participate in the Photography Contests: THE WORLD IN PICTURES CONTEST and GFWC LIVING THE VOLUNTEER SPIRIT CONTEST.

THE WORLD IN PICTURES CONTEST

These photographs showcase the people, places and things at home and around the world that impact our lives in a meaningful way, as expressed in these three categories:

Our World Up Close—Create a visual that offers a novel viewpoint or a macro image that takes the viewer into a whole new, tiny world. Macro photography creates photos of small items that appear to be larger than life-size. Some common examples are bugs or parts of flowers.

Natural Wonders—Use wide angles and panoramas, or landscape images, to showcase mountains, meadows, sandhills, rivers, waterfalls, oceans, deserts or any other magnificent vista. The emphasis is on Natural.

Reflections—Feature an object, setting, situation or landmark that is reflected in glass, water or another mirrored surface.

GFWC LIVING THE VOLUNTEER SPIRIT CONTEST

These photographs capture the special moments in the lives of GFWC clubwomen as they actively meet, plan, advocate, volunteer or celebrate, in groups or one-on-one.

State Prizes: Ribbons will be awarded at the State level for 1st, 2nd, 3rd and Honorable Mention. (First place photos will be sent on to the GFWC International Photography Contest. All other photos will be returned at the State or District Conventions. First Place Photos will not be returned.)

GFWC Junior Executive Committee

Dear Fellow GFWC Sisters,

What an honor it is to welcome you to the 2024-2026 Administration as the 37th GFWC Director of Junior Clubs! I look forward to serving alongside you all as we continue the impactful work for which we are known. GFWC Clubwomen are dedicated to community improvement by enhancing the lives of others through volunteer service; and we are passionate, creative and untiring advocates as we work together. I love that we also have fun and build wonderful relationships with each other while we work hard!

The guiding concept for the Junior Administration will be “**Stronger Together.**” We are stronger when we work together at all three levels of GFWC membership: Women’s Clubs, Juniors and Juniores. Our multi-generational membership is truly one of the benefits of belonging, and we can accomplish so much **together**. We will support existing Junior clubs and charter new Junior clubs nationwide. We will empower State Directors of Junior Clubs and encourage and equip Junior clubs in states without Directors. We will utilize technology to help ALL Junior members feel connected to GFWC and to each other, including learning about the numerous resources available to all members. We will participate in the goals and vision of the GFWC Strategic Plan and continue to promote and develop the Junior Certification Program available to all Junior and Juniores clubs.

Advocates for Children continues to be the Juniors’ Special Program. We will encourage clubs to plan projects for their favorite local organizations and/or March of Dimes, St. Jude’s and Prevent Child Abuse America. We will celebrate Advocates for Children Week the fourth week of October and encourage all clubs to participate. More information about the Juniors’ Special Program is available in the GFWC Club Manual.

I am at your service, along with the entire GFWC Junior leadership, to help engage clubs at all membership levels in celebrating our rich history while looking ahead to a strong future for GFWC. As we work together, we are **Stronger Together!**

In Junior Love,

Junior Pledge

I pledge my loyalty to the Junior Clubwomen, by doing better than ever before what work I have to do, by being prompt, honest, courteous, by living each day trying to accomplish something, not merely to exist.
