

2022 GFWC/IOWA FEDERATION OF WOMEN'S CLUBS SCHOLARSHIP PROGRAM

Dear Club Presidents,

It is time to begin distributing our statewide scholarship applications. Scholarship awards are based on volunteerism, achievement, and financial need respectively.

Low interest rates on investments and declining membership have limited the number of scholarships that can be awarded. Therefore, it is important that club members consider giving to the scholarship program from their club budgets. The scholarship committee congratulates the clubs in Iowa for their past contributions and looks forward to their continued generous support this year.

This packet contains all the information you need to promote the scholarship program in your local schools. Page 25 in the 2020-2022 BLUEBOOK gives important general information also. However, there may have been changes made to the GFWC/Iowa Scholarships as listed in the Bluebook.

Please take the following steps:

- Along with your club scholarship chairman, carefully read the enclosed information and then make an extra copy to keep for reference.
- When you have familiarized yourself with these materials, **complete the club information at the bottom of the Letter to High School Guidance Counselor and on the back of the GFWC/Iowa Scholarship Application and Campship Application. Please note that the District Scholarship Chairmen and their names and addresses are included on another page. This information is very important and must be included on the application so students have the correct mailing addresses. Be sure to include the correct chairman's information.** The pages are color coded. White pages are for your school packets. The colored pages are for your information and to be shared with your club members.
- Take the Scholarship Packet to your High School Guidance Counselor or Administrator and meet with them personally, if possible, to go over the material, answering any questions they may have. You may also take applications to Home School teachers/parents in your area.
- Please stress the **February 1, 2022**, mailing postmark deadline.
- The Packet you take to the high school should include the following (**all white pages!**):
 1. The Guidance Counselor Letter
 2. List of GFWC/Iowa Scholarships – GFWC/Iowa Scholarship Information Sheet
 3. Directions for Student Applicants
 4. The GFWC/Iowa Scholarship Application/with second page Checklist
 5. Letter to Music Teacher
 6. Music Camp Poster for the Bulletin Board at School
 7. Summer Music Campship Application
- **Applicants for the GFWC/Iowa 2- or 4-year college scholarships and campships must be sponsored by a GFWC/Iowa club member.** If the applicant is unknown to a club member, set up an interview with the applicant either by phone or in person and then prepare a letter of recommendation. Please ask the students the minimum of the following:

Information on their volunteerism and leadership involvement, their future plans and goals, and if they are currently employed. This was decided so sponsorship letters are more consistent from club to club. Students may apply for more than one GFWC/Iowa Scholarship, but they are only eligible to receive one. They should fill out a separate application form for each but may use the same letters of recommendation and other supporting materials or information for all. **Be sure your sponsorship letter includes the name of the sponsoring club.** The GFWC/Iowa 2- and 4-year Scholarship and the Summer Music Campship completed applications must be returned to the appropriate District Scholarship Chairmen as listed on the enclosed District Scholarship Chairman Sheet.

- For **Music Campship applicants**, sponsorship should also include information concerning their music involvement. Preference is given to music students that have not previously been awarded a campship. We have also included sample newspaper articles to advertise these scholarships and music campships that can be tailored to your club and sent to your community newspaper. Sample posters are also included to post in the music rooms at the schools to advertise the music campships. You may ask your District Scholarship Chairman or the State Scholarship Chairman to forward the applications to you by email for you to download and send them electronically, if necessary.

Note that the GFWC/Iowa scholarships also include the *Phyllis Hughes Memorial Law School* and *The Clubwoman* scholarships. This information should be shared with club members. It may also be shared with area professionals who may be returning to law school.

These additional scholarships **do not** need to be sponsored by a local club, and **the applications should be sent directly to GFWC/Iowa Headquarters**. However, *The Clubwoman* Scholarship must include a letter from her Club President to acknowledge her club membership. The State Scholarship Chairman sends an application for the law school scholarship to the University of Iowa, Drake University Law Schools in Iowa, and Marquette University Law School in Milwaukee, Wisconsin, in compliance with stipulations of the Phyllis Hughes estate. Separate application forms are included in the packet for the *Phyllis Hughes Memorial*, a law school scholarship, and *the Clubwoman* Scholarship for club members.

Your District Scholarship Chairman will be glad to help you with any questions. Scholarship judging will take place in March, and the applicants will be notified immediately following. Scholarship checks will be sent to the student made out to both the student/college **AFTER the student is enrolled in the Fall 2022 term and sends proof of registration to GFWC/IOWA Headquarters**. Unless specified, male and female students are eligible.

Thank you for your ongoing support of this important program.

Yours in Federation,

Betty Wade

GFWC/IOWA MUSIC CAMPSHIPS
Application Deadline February 1, 2022

Dear Club President,

Each year GFWC/Iowa sponsors several music campship awards to deserving 8-12 grade students (students that will have graduated from the 7th grade). These awards may be applied toward tuition, room and board, and individual lessons at a summer music camp within Iowa. Campships are awarded in the amount of the camp cost up to \$400. Award recipients are responsible for the balance of their costs.

Because of the generous gift from the E. Lucille Miller estate and club donations, we can award more music campships annually. With dedication on the part of our GFWC/Iowa members to promote this program, more students can attend the summer music campships.

Be sure to fill in the name of your club, club's contact name, mailing address, email address, and phone number. Also, fill in the name, mailing address, email address, and phone number of your district scholarship chairman on the Music Campship Application form.

Give a copy to the 8-12 grade school instrumental and vocal music educators at your school and private music teachers that you know in your community. Make as many copies as needed. We have enclosed a sample poster to use in the music classrooms. Feel free to use this one or create your own.

Prepare a letter of recommendation for each applicant. If the applicant is unknown to a club member, set up an interview with an applicant by phone or in person so you can better speak to the qualifications of the applicant. Be sure to have the application completed and postmarked by February 1, 2022.

Your District Scholarship Chairman (*chairman's name must be listed on the bottom of the Music Campship Application form*) will be glad to help you with any questions. Judging will take place in March, and applicants will be notified immediately. Preference will be given to those students that have not previously received a GFWC/Iowa Music Campship. **Music Camp checks will be mailed to the student after proof of registration is mailed to GFWC/Iowa Headquarters.**

Thank you for your continued support of the Music Campship Program.

Yours in Federation,

Betty Wade

TO: High School Guidance Counselors
RE: GFWC/Iowa Scholarships

The GFWC/Iowa Federation of Women's Clubs is the proud sponsor of a scholarship program that is unique to the state of Iowa. Each year, thousands of dollars are given to graduating Iowa High School seniors who will attend Iowa post-secondary schools. Scholarship awards are based on volunteerism, achievement, and financial need. Unless specified, both male and female students are eligible.

Our list of Scholarships for 2022 is enclosed. Our high school students may apply for the first three Scholarships on that list, if they are eligible. They may apply for more than one scholarship but may only be eligible to receive one. They must fill out a separate application for each scholarship; however, they may use the same letters of recommendation.

Attached please find the application form for interested seniors. Please note: the applicant must be sponsored by a GFWC/Iowa Women's Club member. Contact the Club Representative listed below for club sponsorship if the student is unacquainted with a club member. We encourage you to work with the representative delivering this packet to your school to ensure that all applications are complete prior to the **February 1, 2022, postmark deadline**. The name of your local club representative appears at the bottom of this page.

Thank you for your assistance in making this information available to those interested. We look forward to working in partnership with you on behalf of Iowa's youth.
