

2018-2020 GFWC/IOWA FEDERATION OF WOMEN'S CLUBS SCHOLARSHIP PROGRAM

Dear Club Presidents,

It is time to begin working on our statewide scholarship program. Scholarship awards are based on volunteerism, achievement, and financial need.

Low interest rates on investments and declining membership have limited the number of scholarships that can be awarded. Therefore, it is important that club members consider giving to the scholarship program from their club budgets. The scholarship committee congratulates the clubs in Iowa for their past contributions and looks forward to their continued generous support this year.

This packet contains all of the information you need to promote the scholarship program in your local schools. Page 25 in the 2018-2020 BLUEBOOK gives important general information also. However, there have may have been changes made to the GFWC/Iowa Scholarships as listed in the Bluebook.

Please take the following steps:

- Along with your club scholarship chairman, carefully read the enclosed information, and then make an extra copy to keep for reference.
- When you have familiarized yourself with these materials, **complete the club information at the bottom of the Letter to High School Guidance Counselor and on the back of the Scholarship Application. Please note that the District Scholarship Chairmen and their names and addresses are included on the back of this page. This information is very important and must be included on the application.**
- Take the Scholarship Packet to your High School Guidance Counselor or Administrator as soon as possible. Meet with them personally, if possible, and go over the material, answering any questions they may have. You may also take applications to Home School teachers in your area.
- Please stress the **February 1, 2019**, mailing deadline.
- If the applicant is unknown to a club member, set up an interview with the applicant, and then prepare a letter of recommendation. Be sure your letter includes the name of the sponsoring club.

Note that the GFWC/Iowa scholarships also include law school and club member scholarships. This information should be shared with club members. It may also be shared with area professionals returning to law school. **Applicants for law school only do not need to be sponsored by a local club, and the applications will be sent directly to GFWC/Iowa Headquarters** to be judged by the District Scholarship Chairmen. The State Scholarship Chairman will send an application for the law school scholarship to the University of Iowa, Drake University in Iowa, and Marquette University in Milwaukee, WI in compliance with stipulations of the Phyllis Hughes estate. Separate application forms are included for the Phyllis Hughes Memorial, a law school scholarship, and the Clubwoman Scholarship, a GFWC/Iowa Club member scholarship for undergraduate or graduate study. Separate Music Campship Applications are also included. This year we have also added sample newspaper articles to advertise these scholarships and music campships to be tailored to your club and sent to your community newspaper. Sample posters are also included to post in the music rooms at the schools to advertise the music campships. You may ask your District Scholarship Chairman or the State Scholarship Chairman to forward the applications to you by email in order for you to download and send them electronically, if necessary.

During the second year of the GFWC/Iowa Administration in even numbered years, the State President offers her "President's Scholarship." Please see the list of scholarships for information and qualifications regarding the current president's scholarship.

Your District Scholarship Chairman will be glad to help you with any questions. Scholarship judging will take place in March, and the applicants will be notified immediately following. Scholarship checks will be sent to the student/college **AFTER the student is enrolled in the Fall 2019 term and sends proof of registration to GFWC/IOWA Headquarters**. Unless specified, male and female students are eligible.

Thank you for your ongoing support of this important program.

RE: GFWC/Iowa Scholarships

The GFWC/Iowa Federation of Women's Clubs is the proud sponsor of a scholarship program that is unique to the state of Iowa. Each year, thousands of dollars are given to graduating Iowa High School seniors who will attend Iowa post-secondary schools. Scholarship awards are based on volunteerism, achievement, and financial need. Unless specified, both male and female students are eligible.

Our list of scholarships for 2019 is enclosed. Our high school students may apply for the first three scholarships on that list, if they are eligible.

Attached please find the application form for interested seniors. Please note: the applicant must be sponsored by a GFWC/Iowa Women's Club member. Contact the Club Representative listed below for club sponsorship, if the student is unacquainted with a club member. We encourage you to work with the representative delivering this packet to your school to ensure that all applications are complete prior to the **February 1, 2019, mailing deadline**. The name of your local club representative appears at the bottom of this page.

Thank you for your assistance in making this information available to those interested. We look forward to working in partnership with you on behalf of Iowa's youth.

GFWC/IOWA MUSIC CAMPSHIPS
Application Deadline February 1, 2019

Dear Club President,

Each year GFWC/Iowa sponsors several music campship awards to deserving 8-12 grade students (students that will have graduated from the 7th grade). These awards may be applied toward tuition, room, and board at a summer music camp within Iowa. Campships are awarded in the amount of the camp cost up to \$400. Award recipients are responsible for the balance of their costs.

Because of the generous gift from the E. Lucille Miller estate and club donations, we are able to award more music campships annually. With dedication on the part of our GFWC/Iowa members to promote this program, more students are able to attend the summer music campships.

Be sure to fill in the name of your club, club's contact name, mailing address, email address, and phone number. Also, fill in the name, mailing address, email address, and phone number of your district scholarship chairman on the Music Campship Application Form.

Give a copy to the 8-12 grade school instrumental and vocal music educators at your school and private music teachers that you know in your community. Make as many copies as needed. We have enclosed a sample poster to use in the music classrooms. Feel free to use this one or create your own.

Prepare a letter of recommendation for each applicant. If the applicant is unknown to a club member then set up an interview with an applicant by phone or in person so you can better speak to the qualifications of the applicant. Be sure to have the application completed and postmarked by February 1, 2019.

Your District Scholarship Chairman (listed on the bottom of the Music Campship Application form) will be glad to help you with any questions. Judging will take place in March, and applicants will be notified immediately. **Music Camp checks will be mailed to the student after proof of registration is mailed to GFWC/Iowa Headquarters.**

Thank you for your continued support of the Music Campship Program.
