Century Club

Clubs or members who contribute \$100 or more to the Endowment Fund will be acknowledged at State Convention and become a member of the century club.

For Over 100 years, GFWC/Iowa has worked to address the most pressing needs of our communities and our nation. This includes promoting education, preserving Natural resources, stressing good citizenship, and good health, contributing to World peace and International understanding and supporting participation in the Arts.

Through six departments - The Art, Conservation, Education, Home Life, International Affairs and Public Affairs GFWC/Iowa has been successful in gathering resources to address issues such as.

- women's health issues
- leadership development
- beautification
- child abuse prevention
- domestic violence
- youth suicide
- art appreciation
- care of the elderly
- recycling
- substance abuse prevention
- youth and adult literacy
- safety for young and old
