

Country Store

At the GFWC/Iowa state convention, there will be a Country Store. All proceeds from the sale of items at the store will go to the GFWC/Iowa General Fund to help defray the expenses of holding state convention. All items brought for sale must be priced. Please pick up any items that do not sell following the end of the convention. All donations will be greatly appreciated. Examples of items you could bring are: baked goods, jams, jellies, craft items, candy, garden produce (no products that would require refrigeration please), afghans, pillows, wall hangings, etc. Also, sort through your jewelry and send or bring items you are no longer using to the convention.

The Fundraising Chairman will be happy to assist you at the GFWC/Iowa Country Store.
